PROFESSIONAL SUMMARY

React Native Developer (Fresher) with hands-on experience building cross-platform mobile applications using React Native and JavaScript (ES6+). Strong foundation in responsive UI development, REST API integration, and component-based architecture. Seeking an entry-level React Native Developer role to contribute to scalable and user-friendly mobile applications.

SKILLS

Frontend: React Native (Expo & CLI), JavaScript (ES6+), NativeWind / Tailwind CSS, React Navigation, Context API

Backend (Basic): Node.js, Express.js, REST APIs, JWT Authentication

Database: MongoDB, MySQL

Tools: Git, GitHub, Postman, VS Code, Expo CLI, Android Studio
Other: API Integration, Debugging, Clean Code Practices, AsyncStorage, Responsive UI Design

INTERNSHIP EXPERIENCE

Silver Oak University – Internship Training & Programming
React Native Developer Intern

- Developed cross-platform mobile applications using **React Native and JavaScript (ES6+)**
- Implemented reusable UI components using **props, state, and hooks**
- Integrated **REST APIs** to handle dynamic data in mobile apps
- Built responsive and user-friendly mobile interfaces
- Worked with **navigation, forms, and basic state management**
- Debugged issues and optimized application performance

PROJECTS

FitIndia – AI-Powered Diet & Fitness Planner App

- Designed and developed a full-featured mobile application using **React Native (Expo)**
- Implemented personalized onboarding to collect user fitness and health data
- Built custom meal planning features for breakfast, lunch, and dinner
- Integrated image upload and backend **APIs** for calorie and protein analysis
- Created scalable component architecture with smooth navigation

Tech Stack: React Native (Expo), Node.js, Express.js, MySQL, Cloudinary, NativeWind CSS

Dreamwalls – Wallpaper Mobile App

- Developed a cross-platform wallpaper application with categorized content
- Integrated **Cloudinary** for high-quality image storage and retrieval
- Implemented wallpaper filtering, view count tracking, and one-tap download
- Delivered fast and responsive **UI** with optimized performance

Tech Stack: React Native (Expo), Node.js, Express.js, MongoDB, Cloudinary, NativeWind CSS

Movie – Movie App

- Built a movie browsing application using **TMDB API**
- Implemented search, filter, and trending movie sections
- Displayed movie details including posters, ratings, cast, and trailers
- Designed smooth UI using **React Navigation** and Expo

Tech Stack: React Native (Expo), JavaScript, TMDB API, Axios, React Navigation, Nativewind CSS

EDUCATION

Aditya Silver Oak Institute Of Technology   *Nov 2022 - Present*

Computer Engineering | CGPA: **8.62** / 10.0

R.S.S Science College

Intermediate (Science) | Percentage: **68.2** / 100   *Apr 2019 – Jun2021*

Sitamarhi High School   *Jan 2019*

Matric(X) | Percentage: **82.0** / 100

Availability: Immediate | Open to Internship / Full-Time React Native Roles
